

## The Monster

Monster = ugliness - link between outer + inner appearance

### Tensions -

child - blank state / innate reaction or learned response to appearance?

blind old man - response to inner beauty / ugliness

monster's reaction to himself - fixed identity or potential change

## Humans

Human beauty as a contrast / parallel

contrast - the victims = beauty, even in death

natural vs unnatural creation

parallels - monster = distorted human.

unnatural creation = ugliness + evil
