

Supervisor's feedback

Conclusion 3	Conclusion 2	Conclusion 3
<ul style="list-style-type: none">• Rephrases the wording of the question in the closing sentence to ensure relevant closure• Unfortunate wording. 'Still debated' is overstating the issue.• Overall, not bad in terms of content.• Links back to introduction 1	<ul style="list-style-type: none">• Confident, concise• Hint at future implications implies critical thinking• Main focus of introduction mentioned again to tie points up• Clear 'closure'• Sensible quotation• Final point would be better made within essay• Concludes the main body example from the previous activity	<ul style="list-style-type: none">• Far too long for a supervision essay; argument still developing in conclusion• This writer needs to paragraph more effectively• Not such a strong sense of 'closure' to this essay.• Needs editing and a clear focus, just like its introduction, number 3.
